EDUCATION

Year	Institute	CGPA/Marks	Degree/Exam
2022-Present	Netaji Subhas University of Technology	8.61	Information Technology
2020-2021	Apeejay School Saket	94%	12th(CBSE)
2018-2019	Apeejay School Saket	95.4%	10th(CBSE)

PROJECTS

APTITUD APP | UPCOMING PROJECT

This is my ongoing personal project which is actually a Fitness App which provides a guided Path to the users to be in shape and motivates them for not to give up and keep going.This will require an extensive knowledge of Graph QL,React Js,Tailwind Css,Node Js,Mongo DB ,Rest API and Authentication

Weather App

This Simple Web App will give the details of the current weather conditions of any city/country entered by the user on the search bar .

Skills Used:

HTML/CSS/JS/Node Js/API

Project Link: <https://mohini1403.github.io/WeatherApp.github.io/>

Musicana App

This is a simple music app which required knowledge of Js and specifically ES 16.

Skills Used:

HTML/CSS/JS

Project Link: <https://mohini1403.github.io/Musicana.github.io/>

Expense Tracker App

This is a Simple Expense Tracker App which maintains the record od amount in your account and history of the transactions which are entered into the app. I am currently working on adding additional features in this app to ensure added security and JWT Tokens Usage along with better UI/UX

Skills Used:

HTML/CSS/JS

Project Link: <https://mohini1403.github.io/ExpenseTracker.github.io/>

Personal Portfolio

Having a portfolio website is a best way to showcase our skills as a developer along with giving extensive details about our works and projects with better user interface.This gives the slight idea about my past experience,skills and projects.

Skills Used:

HTML/CSS/JS|ReactJs/API/Chart JS

SKILLS AND EXPERTISE

C C++ DSA(C++) HTML/CSS JAVASCRIPT SQL PYTHON NODE JS EXPRESS JS MONGO DB API

ACHIEVEMENTS

SUCCESSFULLY COMPLETED HACKTOBERFEST 2022

3RD POSITION|IDEATHON

SECURED A RANK OF 200(COLLEGE) IN CODEKAZE 2023

LEVEL-7 SPECIALIST AT CODE STUDIO 290+PROBLEMS ON LEETCODE

COMPETITIONS/CONFERENCE

HACKNSUT

- A 36hr Hackathon where we were supposed to participate as a team for developing a project based on various themes to complete a problem statement within the given tenure.
- An event organized by DEV COMM(NSUT) where we participated in team and pitched an innovative idea regarding the project design with a prototype

HACKTOBERFEST

- Participated and successfully completed HacktoberFest 2022

CODEKAZE

- Two phase coding challenge conducted by coding ninjas in collaboration with naurkri.com with more than 40k+ participation

CODE-A-THON BY IIIT BHUBNESHWAR

WOMEN WHO CODE
